CARE OF THE CERAMIC MUGS

- Wash before first use.
- This mug is ceramic and the printing is by ceramic sublimation.
- No wash in the dishwasher, it's convenient to wash it by hand, using softly a sponge with a non-abrasive soap. Never use scourer.
- It can be used in the microwave.
- Never expose to fire or direct sources of heat (gas cookers, induction hob, glass ceramic ...).

Enjoy it. Thanks a lot.
